

Cemaes Bay Dental Practice

Price List - 2021

Full Dental Capitation Schemes

These schemes cover all the costs of your routine dental care carried out at the practice (orthodontic and cosmetic treatment excluded). Fees include dental accident and emergency insurance cover*. The only extra charges are laboratory fees which are passed on directly to the patient. Patients must be dentally fit before joining and are assessed as to which band of care is appropriate. Fees are paid by Direct Debit or as an annual payment. Please see contracts for full terms and conditions.
